North Suburban YMCA’s Drive-In Movie Night Plays to a Sold-Out Crowd

NORTHBROOK, IL — Dozens of families and friends gathered in the NSYMCA parking lot on August 21 to re-discover an old-school summer-time concept – the drive-in movie. Featuring “Back to the Future,” the Y hosted its first drive-in movie night in the parking lot at 2705 Techny Road in Northbrook to a sold-out crowd of 78 cars, including 16 VIP spots in the front 2 rows.

Spaces were socially distanced and movie-goers followed safety guidelines including wearing masks when not in their vehicles. Movie-goers were also able to purchase refreshments provided by sponsors Sunset Foods and Dairy Queen.

As part of the “Revive Our Y” campaign, all participants made a $30 per car donation with proceeds providing financial aid for families in need and helping the Y with operational costs to keep the facility open, and ensure the on-going delivery of programs and services for the community.

“We were thrilled to bring community families together again to watch a movie on a perfect summer night. At the same time, our members, staff, and friends all contributed to help our Y with the costs of staying open by contributing to the ‘Revive our Y’ campaign,” said Kathy Fielding, North Suburban YMCA CEO.

Added an excited 9-year-old Sami Schwarz, “I had so much fun at the movie! Plus my mom told me that we were helping the community too!”
