YMCA Community Gallery Showcases Student Art in August

Northbrook, IL: August 2015 – Young artists in the North Suburban YMCA’s Visual Arts Program will receive special recognition in the Y’s Community Gallery exhibition for the month of August. Over 30 pieces of original artwork will be on display in the Y’s public areas, including paintings, drawings, ceramics, and other media. Each piece will be offered for sale, with proceeds benefiting the Visual Arts Program.

The YMCA offers a wide variety of art classes for children, teens, and adults. In addition to general exploratory classes, the Y offers advanced technique programs, unique interdisciplinary options, and cutting edge technology in its new Digital Media Lab. All classes are offered in the Y’s art studios, 2705 Techny Road in Northbrook.

“Our August exhibit really reflects the diversity of artistic opportunities here at the Y,” notes Tegwen Conzemius, Community Gallery Coordinator. “We hope guests will enjoy the show and be inspired to check out all the new class offerings for the fall.”

Registration for Visual Arts classes and other fall programs at the Y is now open for members at www.nsymca.org. Non-member registration begins on August 3. Fall Session I classes begin the week of August 31. For more information, call 847 272 7250.
