

Week 7 Tropical Paradise Week

Lil' Pioneers and Pathfinders:

Our little ones had a blast this week making rock star sun catchers, groovy 80's headbands, and cooooool fruit loop necklaces. We sang "Take Me Out to the Ball Game" and hit the ball! During water play, we had a crazy sprinkler and water ballons to cool us off. Our special snack was refreshing watermelon. For Friday Fiesta, we had a special jumper and a great lunch from Young Chef's Academy.

Voyagers:

It was hot, hot, hot for Tropical Paradise week. We painted our own fans and colored our own beachballs. We made sun magnets that knocked our socks off! We played musical beach towels and laughed so hard! We cooked honey lemon muffins with Young Chef's Academy. We also made luscious fruit kabobs. Friday Fiesta was a super water slide and burgers from Little Louie's. Great week of fun!

Trailblazers and Adventurers:

We saw the Cougars sweep the West Michigan Whitecaps by a score of 8-2 on Monday! What a game! We made many tropical art projects such as sunshine magnets and sand pictures. We also played many games outside, but a highlight was water polo in the pool! The Slip and Slide and waterslide helped cool us off in this heat, and the fruit kabobs during Fun with Food were a refreshing treat. It was great to get to see Despicable Me in 3D when our field trip to the waterpark got rained out. Can't wait for next week.

Cheer and Dance:

We had a "boatload" of fun in Cheer and Dance preparing for our Friday performance. We did take some time out from our practice to have a rockin' dance party with our friends the Voyagers. It was fantastic. We learned new cheers and created our own dances. The Friday performance was a great way for us to show off our moves!

Musical Theater:

We have a lot of preperation to do for our performance of Alice In Wonderland. We worked on lines, practiced songs and worked on the scenery. We know that our hard work has paid off. The performance was a spectacular hit. Next stop..... Broadway!

Week 7 Tropical Paradise Week

Chicago Explorers:

The Chicago Explorers had a fantastic week. We traveled all over the Chicagoland area in search of fun. First to the Kane County Cougars' game then to the Wheeling Waterpark for some "splashy" fun! At Escape no one bowled a perfect game, but they had a perfect time doing Laser Tag and arcade games! We wound out this hot week with a 3D showing of Despicable Me!

Sports Camp:

We had two awesome trips this week to Laser Tag and the Kane County Cougars' game. It was a wacky, wild water-fun day on Wednesday with every kind of water sport imaginable. There was lots of competition in volleyball and football this week. Friday Fiesta finished off the week with water olympics, a water slide, and burgers from Little Louie's. The kids' Tropical Paradise week was fun filled and exciting!

Lil' Dancers:

We danced around the world with our Lil' Dancers this week. We also learned the Bollywood dance. Do you know this one?? If not ask your Lil' Dancer for a demo. We concluded the week with our terrific performance for family and friends.

Reminders:

Drop off is from 8:45 a.m. – 9:10 a.m.

Pick up is from 3:50 p.m. – 4:10 p.m.

Remember to sign up for next week!

Label all items to prevent your child's items from winding up in lost and found. Please check our lost and found daily!

Next week is TV Week. Turn on your favorite shows and let's play!
