## Give the Gift of Health!

Wrap up your shopping now by obtaining certificates to provide a friend or neighbor a free January at our YMCA

**Why:** It's a thoughtful (and tax-deductible) gift, it's healthier than fruitcake, and the proceeds benefit our Strong Kids scholarship program.

Your Gift of Health donation to the YMCA Strong Kids Campaign is deductible for federal income tax purposes to the extent it exceeds \$20 for each \$50 donated, the estimated value of services provided by NSYMCA

**Who:**

Any member who makes a donation of \$50 or more to the Strong Kids Campaign can receive Gift of Health Certificates to give to friends and family.

**What:**

The gift certificate can be exchanged for a 30-day single member pass at the NSYMCA (must be redeemed prior to January 31).

**How:**

Make your donation online or visit the front desk and after making a qualifying donation, ask for a “Gift of Health Certificate.” You’ll then receive a nice card and envelope to present as a gift.

**For More Information:** Visit our website at [www.nsymca.org](http://www.nsymca.org) or call 847-272-7250
