DID YOU KNOW?

The YMCA has long been known as the gold standard for swim lessons. After all, the Y organized the very first group swim lessons in 1909. Here at the NSYMCA, we continue that tradition, offering swim lessons for individuals of all ages and abilities. Our knowledgeable and helpful staff want to ensure everyone has a chance to be confident, happy, and safe in the water.

FREQUENTLY ASKED QUESTIONS

Q: What level do I register my child for?

A: All swimmers will be tested on the first day of class and placed in the appropriate level. If your swimmer tests into a different level not offered during that class, they will need to move to the correct class.

Q: Does the Y allow make-up lessons?

A: Due to the popularity of the program our classes fill to capacity. This makes make-up classes not possible. We find that moving a child to another class even one time affects the dynamics of the class. Our instructors teach to the individual and will work to ensure that missing one or two classes will not affect the child's progress.

Q: My child has some special needs/circumstances. Do you have instructors that are trained in special needs?

A: Swimmers with special needs are always welcome. We have a well developed swim program and staff that are highly versed in special needs. If your child does have needs, please let the instructor know so we can offer the best lesson possible.

Q: Can my child sign up for 2 swim lessons?

A: Participants can register for only one swim lesson per day. Participants cannot register for consecutive swim lessons on the same day. Data has shown that back to back lessons are not efficient for learning as the lesson starts over with a different instructor for the second 30-minute swim class.

PRIVATE SWIM LESSONS

3 yrs - Adult

These one-on-one lessons are 30 minutes in length. DIRECTOR'S APPROVAL IS NEEDED PRIOR TO REGISTRATION. Interested swimmers should fill out a Private Swim Lesson request form. We are known for our special needs private lessons specifically designed for each participant with the initial goal of water safety in and around the water. All Private Lessons purchases must be used by end of Summer session. Please contact Missy Contri at mcontri@nsymca.org for more information.

SWIM LESSONS

North Suburban YMCA Swim Lessons use a learn-toswim progression from water orientation to stroke development that meets the needs of swimmers of all levels. Participants learn water safety skills and proper swimming technique in a fun and supportive environment.

In a progressive program such as ours, correct placement is a key to success. All swimmers will be tested on the first day of class and placed in the appropriate level. Children will be advanced to the next level as soon as they have mastered the required skills. Some levels are more difficult than others and are designed to take several sessions to complete before advancing. For specific swim levels please visit us online at nsymca.org.

PARENT-CHILD SWIM LESSONS

6 mo - 3 yrs with Adult

Parents accompany their child in the water, which allows infants and toddlers to gently discover the aquatic environment and encourages them to enjoy the water while learning. Children will explore body positions, floating, blowing bubbles, and fundamental safety and aquatic skills. Children must wear swim diapers (with snug-fitting elastic around the legs) under a swimsuit.

Campers can take swim lessons during camp on Tuesdays.

Email camp registrar for more info at registrar@nsymca.org

PRESCHOOL SWIM LESSONS

3 yrs-K

Our preschool swim lessons introduce water propulsion, floating, body awareness, and independence, all while focusing on water safety. We introduce the basic swim strokes, including front crawl and back crawl. Swimmers will learn swim skills designed for preschoolers based on their body development. Preschool levels are: Pike, Eel, Ray, and Starfish.

YOUTH SWIM LESSONS

6-14 yrs

Youth swim levels will introduce water propulsion, floating, body awareness, and independence, all while introducing the basic swim strokes of front crawl and back crawl. Advanced levels will learn the competitive stokes and work on building swim endurance. Youth levels are: Polliwog, Guppy, Minnow, Fish, Flying Fish, and Shark

ADULT & TEEN SWIM LESSONS

14 yrs – Adult

Adults and teen lessons are taught in a smaller group setting, concentrating on the needs of individual swimmers as their skills progress. Beginner and Intermediate levels will emphasize water propulsion, floating, body awareness, and independence, all while introducing the basic swim strokes of front crawl, back crawl, and breaststroke.

FLYING TURTLES SWIM CLUB

8 years - 18 years

The NSYMCA swim club program focuses on endurance & stroke mechanics as we are a non-competitive developmental program. Our goal is to help bridge the gap between swim lessons and competitive swim team programs. Swimmers work to refine their strokes in a swim team/club type environment.

For swim club and to try out, swimmers should be able to swim full lengths (25–50 yards) of all strokes including proper breathing.

Current swim lesson participants may join swim team without trying out if eligible.

Swim club will resume in the Fall. Tryouts out will be available August 28th at 4:15pm & August 30th at 5pm. Please email Missy Contri at mcontri@nsymca.org for all questions.
