General Information

Location for Dress Rehearsal and Recital June 5-6, 8

McGrath Family Performing Arts Center

Loyola Academy

1100 Laramie Ave, Wilmette, IL 60091

- **Mandatory Dress Rehearsal and Recital dates and times are listed on the schedule pages. Please locate each individual class your dancer attends for information.**
- **Due to the intricacies of coordinating two Dress Rehearsal dates and 3 Recitals for the amount of students/classes and staff involved, the schedules in this book are final and cannot be adjusted further.**
- **Dancers in multiple dances may have different Dress Rehearsal dates and Recital times. Many embrace the long weekend as a celebration for their hard work all year long leading up to these few days.**
- **The NSSOD Dance Recital is a general admission performance with seating as first-come-first-served. Doors will open 30 minutes prior to the beginning of the show. Saving seats is not allowed. Check out the Community Strong Auction for a chance at 10 preferred seats for 10am, 1pm, or 4pm!**
- **Any guests needing special accommodations for seating should email performingarts@nsymca.org no later than June 1st to reserve their seating.**

Parent Volunteers

- **We are requesting the help of parent volunteers to assist backstage with our dancers.**
- **If you are interested in volunteering, please scan the QR code to submit online**

Mandatory Dress Rehearsal

- **Students MUST attend dress rehearsal in order to perform in the recital. Students who are not at dress rehearsal will not be permitted to dance at recital. We understand there may be optional events/opportunities that conflict with our recital/rehearsal dates and trust our dancers will honor their commitment to their required rehearsal and recital times, fellow dancers, and choreographers. Please understand we need to focus on serving the entirety of our student base, from preschool through high school as well as our staff and venue needs.**
- **Please locate your class on the schedule pages for your Call Time. This Call Time is when dancers should be at the theatre ready to go for their dance, in costume, with full hair and make-up complete.**
- **Dancers will find and sit with their class in the auditorium until their teacher or another staff member calls them back stage. Plan on spending 45-60 minutes at the theatre for each dance.**
- **This time includes professional photos for groups and individuals as well as time spent on stage rehearsing. You are not obligated to purchase these photos, but all dancers will participate in the group photo. Forms will be sent home prior to Dress Rehearsal and will also be available at the venue with representatives to help with purchasing should you choose. As a reminder, parents are not allowed into the photo room during pictures.**
- **Dancers in multiple dances may have a stage time that runs up to their next scheduled photo time. For these dances, photos will begin with individual poses and end with group poses so dancers may change, drink some water, and apply any quick touch ups to hair or make-up.**
- **You may take video and non-flash photography during this time. Please remember that it is a rehearsal. Choreographers may be working with the dancers while they are on stage and will need a pathway in front of the stage. We will have a videographer filming the shows with a digital download for all dancers.**
