

HAWKS CAMP HAS GIVEN BOTH KIRILL AND OUR FAMILY THE OPPORTUNITY TO CONTINUE GROWING AND DEVELOPING IN MEANINGFUL WAYS.

It has also provided us with renewed hope, creating a positive and uplifting atmosphere in our home. We truly wish there were more organizations like yours, with leaders who genuinely help families like ours navigate their unique lifestyle, adapt, and find joy in life.

At camp, Kirill always came home happy, which is a big achievement for us. He was excited to return. The activities and the wonderful teachers at the camp really helped him develop patience, focus and the ability to finish what he starts. They also taught him that it's important to overcome obstacles. I noticed that he began to understand how enjoyable it is to complete tasks, learn new things, and visit new places. These experiences weren't something to be afraid of, but rather fun and interesting. Now, when we ask him to do something at home, he is happy to help and completes tasks willingly.

Your team really knows what they're doing. HAWKS Camp showed how amazing our son is and how we can help him.
