WINTER/SPRING

## DID YOU KNOW?

The YMCA has long been known as the gold standard for swim lessons. After all, the Y organized the very first group swim lessons in 1909. Here at the NSYMCA, we continue that tradition, offering swim lessons for individuals of all ages and abilities. Our knowledgeable and helpful staff want to ensure everyone has a chance to be confident, happy, and safe in the water.

## FREQUENTLY ASKED QUESTIONS

### **Q: What level do I register my child for?**

**A:** All swimmers will be tested on the first day of class and placed in the appropriate level. If your swimmer tests into a different level not offered during that class, they will need to move to the correct class.

### **Q: Does the Y allow make-up lessons?**

**A:** Due to the popularity of the program our classes fill to capacity. This makes make-up classes not possible. We find that moving a child to another class even one time affects the dynamics of the class. Our instructors teach to the individual and will work to ensure that missing one or two classes will not affect the child's progress.

### **Q: Can my child sign up for 2 swim lessons?**

**A:** Participants can register for only one swim lesson per day. Participants cannot register for consecutive swim lessons on the same day. Data has shown that back to back lessons are not efficient for learning as the lesson starts over with a different instructor for the second 30-minute swim class.
