2027 SUMMER CAMP GUIDE

2705 Techny Rd. Northbrook, IL 60062
847-272-7250 nsymca.org

The NSYMCA is a 501(c)3 non-profit organization, open and accessible to all.

YOU BELONG HERE!

Dear NSYMCA Families,

If there is one thing I hope every child takes away from their summer with us, it's friendship. Whether it's making one new friend or finding an entire group of friends, those connections are what make camp truly special. The activities, field trips, and adventures are exciting, but having someone to share those experiences with is what makes kids look forward to coming back each day.

As we prepare for Summer 2027, I want families to know that your child's safety and well-being will always be our number one priority. Beyond that, our goal is simple: to create a place where every child feels welcomed, included, and comfortable being themselves. A place where they can build confidence, make friends, and most importantly, have fun!

We've put tremendous thought and care into this year's camp offerings, but at the end of the day, it's not just about the activities. It's about the experiences, friendships, and memories your child takes home.

To our returning families, thank you for continuing to trust us. To our new families, we can't wait to welcome you! We know you have choices, and we're grateful you've chosen to spend your summer with us.

Here's to a safe, fun-filled summer of new friendships and unforgettable memories!

SAVE OVER $1,300 ON SUMMER CAMP! PER CAMPER!

More Fun. More Friends. More Savings!

Did you know that families can save an average of over $1,300 per camper when registering for nine weeks of NSYMCA Summer Camp compared to two comparable local summer day camps? **That's even after factoring in the cost of a six-month NSYMCA Youth Membership!**

At the NSYMCA, we believe an incredible summer shouldn't come with an incredible price tag! With a full 10-week camp season, longer camp days, swimming, field trips, exciting activities, and opportunities to build lasting friendships, we're proud to offer families more summer fun at an exceptional value!

Savings comparison based on published 2027 early registration rates for nine weeks of NSYMCA Traditional Camp, including a six-month Youth Membership ($2,694 total), and the average cost of two comparable local summer day camps ($4,018). Actual savings vary based on registration dates, membership options, and eligibility.

GENERAL CAMP INFORMATION

Changes and Transfers

All camp cancellations and transfer requests must be submitted in writing to **registrar@nsymca.org**. A $30 transfer fee per camp week (per child) applies to all transfers, regardless of when requested. Transfers are subject to availability, and same-week transfers require director approval.

Camp deposits ($10 half-day / $20 full-day) are nonrefundable but transferable. When transferring camps, your existing deposit moves to your new registration. The $30 transfer fee is charged separately. Any difference in camp pricing or required deposit will also be charged or credited.

Refunds

Camp cancellations are subject to a $30 cancellation fee per camp week (per child). For example, canceling three weeks results in a $90 cancellation fee.

Your nonrefundable deposit is applied toward the cancellation fee. If only the deposit has been paid, an additional $20 for half-day camps or $10 for full-day camps will be charged.

The cancellation refund deadline is May 4, 2027. Cancellations made by this date will receive a refund of any payments made, minus the $30 cancellation fee per camp week (per child). After this date, full camp tuition remains due, regardless of payments already made, and no refunds or credits will be issued for cancellations.

Extenuating circumstances may be submitted in writing to **rgonzalez@nsymca.org** for consideration.

Traditional Vs Specialty

Full Day registered Traditional Campers attend full day field trips each Thursday. If you are a half day Traditional day camper, you do not attend the Thursday field trips. If you are in a specialty camp, you do not attend the Thursday field trip.

Free swim is M, W, F in the afternoons for Traditional Camp only. If you are registered for ' AM only' or register for a PM Specialty Camp, your child will not swim.

Swim Lessons are on Tuesdays. They are an optional add on. They are available for Traditional Camp only. If you are registered for a Specialty Camp only or Full Day Field Trip Camp, you can not register for swim lessons that given week. If you are registered for half day Traditional, you may register for swim lessons.

Payment Plans

We are offering both Credit Card and ACH payment options for camp registration. Please note:

- A 3% processing fee will apply to all credit card payments.
- A 0.96% processing fee will apply to ACH payments.
- A $30 NSF fee will be charged for any payment that is returned by the bank. As a courtesy, one fee will be waived per calendar year.

Payment plans are available to both members and non-members. There are two payment plan options (see below).

Option #1 – Custom Payment Plan (Recommended!)

Start paying early, spread out your payments, and make budgeting for summer camp easier!

- Families can begin making payments anytime after registration, allowing them to spread the cost of camp over several months instead of just the summer.
- Payment schedules can be customized to fit your family's budget and adjusted before each scheduled payment.
- To get started, simply email **registrar@nsymca.org** after completing your camp registration and paying the required deposits.
- All camp balances must be paid in full no later than July 15, 2027. For campers whose final registered day of camp falls before July 15, the balance must be paid in full by their final registered day.

Option #2 – Standard Payment Plan

- Payments are automatically charged **7 days before each registered week of camp.**
- Families registered for all 10 weeks will have 10 weekly payments, beginning **May 31, 2027, and ending August 2, 2027.**
- Payment amounts may vary depending on the camps selected each week. For example, Premium Specialty Camps may cost more than Traditional Camps.

Camp Add-On Programs & Services

Extended Camp (Before and After Camp)

The Before and After Camp atmosphere is relaxed, safe, and fun! Activities range from indoor and outdoor free play to organized games and crafts. **Before Camp runs from 7:30–8:45 am, and After Camp runs from 4:10–6:00 pm.** Families may register for one or both programs. Extended Camp is available for Kindergarten and older, with no minimum day requirement. Proration is available. To request prorated registration, please contact our Camp Registrar at **registrar@nsymca.org.** If your camper requires a one-on-one inclusion counselor, please contact Ellen Mirochnick for more information at **emirochnick@nsymca.org.**

Lunch Bunch

Lunch Bunch is **not required** for any camper who attends both an AM-only camp and a PM-only camp. Lunch supervision and transitioning between camps are provided at no additional charge.

Add Lunch Bunch to extend your camp day for **half-day registered campers only!** Campers from Kindergarten and up can enjoy lunchtime with friends under the supervision of our well-trained staff. Lunch Bunch is open to all campers registered for either an AM or PM camp.

Campers must bring a lunch **Monday–Thursday**, while a **special lunch is provided** on Fridays. No minimum days required.

To register for Lunch Bunch (not available online), please email **registrar@nsymca.org.**

Swim Lessons

Add swim lessons to your camp day! Lessons are available one day per week on **Tuesdays** and are open to **Traditional** and **Sports** Camps only. **Financial assistance is not available. Please email us for more information.**

The cost is **$30 per child (Member) and $38 per child (Non-Member)**. Swim lessons can be added during registration or at any time by emailing **registrar@nsymca.org** to enroll.

Swim lesson registration opens on **March 2nd!** Families can focus on camp registration first, then easily add swim lessons later.

Snack Shack

Skip the snack packing! We offer **$10 Snack Shack Cards** for your convenience. To purchase a card, simply email **registrar@nsymca.org.** Most snacks are priced at just $1.00.

Campers may bring snacks from home. We also offer a short snack break in the morning and afternoon, when the **Snack Shack** visits each group.

WAYS TO REGISTER

Create Your NSYMCA Account Today!

All registrants must have an NSYMCA account in order to register for camp online. **Please ensure your account is set up before registering for camp.** Create your account today at: **nsymca.org.**

Online Registration

You can register for camp online at nsymca.org! Registration will begin at 10:00 AM on the opening dates on page 3. Please double-check your registration details, as we will not be able to make corrections for sold-out camps.

In-Person Registration

You may also register by submitting a completed camp registration form to our front desk or by emailing it to **registrar@nsymca.org.** Please note that hard-copy registrations will be processed in the order they are received. These are processed manually and can take 3-4 business days, while online registration continues in real-time.

All registrations must be completely filled out in order to be processed. Missing information will delay your registration and spots are not held.

Deposit and Registration Fee

All registrants will be charged a weekly deposit/registration fee as follows:

- $10 per week for half-day camp
- $20 per week for full-day camp

The maximum deposit/registration fee for full-day camps is $200, which covers the full 10-week session.

After paying the deposit, you can make additional payments toward your total camp balance at the time of registration. For example, if your total balance is $1000 after paying the registration fee, you may choose to pay $500 upfront, leaving the remaining balance of $500 to be paid off over the course of the payment plan. If you would like to make additional payments after registration, please contact **registrar@nsymca.org** to confirm. **All camp deposits are non-refundable.**

Child Care Tax Statements

Child Care Tax Statements are available online each January for the previous calendar year and will remain accessible throughout the year through your account at nsymca.org. If you need your tax statement before January, please email **registrar@nsymca.org** for assistance.

Scholarship

All scholarship information MUST be updated and approved in order to receive financial aid for camp registrations online. We can NOT retroactively apply scholarship after camp registrations have been processed. Please note that scholarship does not apply to all camps (See page 9).

Membership

Your child must have a membership in order to receive membership savings for camp. If you are interested in a NSYMCA membership for your child, your membership must be processed prior to registering for camp. We can NOT retroactively apply membership savings after camp registrations have been processed.

Memberships must be maintained for a minimum of 6 months and through your child(ren's) final day of camp registered. Membership cancellations can only be processed by our front desk reception staff. If you cancel your membership prior to the 6-month minimum and your child(ren's) final day of camp registered, you will be subject to pay the non-member rate (minus fees paid to date). You can now register for membership online.

PAYMENT HISTORY

View and access your payment history online.

1. Navigate to the unit the child is listed on
2. Select the child whose payment history you wish to view
3. Select Child Care tab under the member's profile
4. Click Child Care button
5. Under Quick Links section, click Payment History
6. Enter payment date range
7. Select View to see data on the screen or Export to obtain a PDF document

You can now view your child's camp schedule online in the calendar view on their dashboard.

Child Profile

All parents or guardians must complete their child's profile online after submitting camp registrations.

This profile is vital for ensuring the safety and success of every camper. It is a secure, internal form that collects important information such as medical history, allergies, special notes, emergency contacts, authorized pickups, and more.

It is critical that you take your time and complete this information accurately and thoroughly. Having complete profiles allows our team to be fully prepared and ensures your child has the **Best Summer Ever!**

All registrants must have their online child profile completed by **April 1, 2027**, or their registration will be **unenrolled**. Notifications will be sent to families prior to unenrollment.

Follow the steps below to access and submit your child profile today! Please note: if you have multiple children, a separate Child Profile must be submitted for each camper registered for camp.

Questions or concerns? Please email **Camp Registrar at registrar@nsymca.org.**

Step #1 Log in to your NSYMCA family account at **nsymca.org**
Step #2 Select your child's name in the bottom-left corner
Step #3 You'll be taken directly to the new **Child Profile** page

LITTLE PIONEERS

Ages: 3 years. Days: M–F. Session length: 1 week.

This is the perfect program to introduce little ones to camp! This half-day morning camp includes songs, crafts, stories, games, outdoor play, and more. Campers also enjoy weekly enrichment activities such as dance and art, led by our NSYMCA programs department staff. Children will build friendships, gain independence, and practice sharing and teamwork in a safe, caring, and fun environment. Swimming is not available. Campers do not need to be toilet trained. If you're interested in a 3- or 4-day prorated week, please complete a physical registration form or contact our Registrar at registrar@nsymca.org. **A minimum of 3 days is required.**

PATHFINDERS

Age: 4 years. Days: M–F. Session length: 1 week.

Pathfinders Camp is packed with fun, variety, and exploration—perfect for curious and energetic preschoolers! Each day includes a mix of arts and crafts, games, outdoor play, and engaging activities designed to build confidence and independence. Campers also enjoy weekly enrichment experiences led by our NSYMCA programs department staff, including art and dance classes. **Swim lessons are included** for all Pathfinders campers, with two morning sessions and one afternoon session per week, taught by our trained aquatics staff. Children must be toilet trained to participate. If you're interested in a 3- or 4-day prorated week, please complete a physical registration form or contact our Registrar at registrar@nsymca.org. **A minimum of 3 days is required.**

TRADITIONAL DAY CAMP

Grades: K-5. **Days:** M-F. **Session length:** 1 week.
Traditional Day Camp is our flagship summer camp program! Campers enjoy a little bit of everything—sports, swimming, art, games, weekly field trips, special events, and plenty of opportunities to make new friends! **Proration does not apply.**

We strongly recommend full-day registration for the complete camp experience. Half-day options are available, particularly for families pairing Traditional Camp with a Specialty Camp, but some activities will be missed.

Please note the most common oversight: Half-day and Specialty Camp campers do not attend the weekly Thursday full-day field trips with Traditional Camp. Campers enrolled in afternoon Specialty Camps or not attending Traditional Camp during the afternoons will also miss recreational free swim on Mondays, Wednesdays, and Fridays. 6. I consent to my child's participation with evaluations and surveys for camp.

9. I give the North Suburban YMCA the right to take pictures and video for marketing purposes.

- Online registration is preferred. Additionally, registration forms may be submitted in person, by mail, or by emailing to: **registrar@nsymca.org.**
- Please allow 3-5 business days for hard copy registrations forms to be processed.
- All hard copy registrations must be completely filled out in order to be processed. Missing information will delay your registration and spots are not held. Any registration questions will be communicated via email and will delay registration.

- The NSYMCA has the right to deny entrance to a camper if fees are not paid and up to date.
- Camp registrations for any given week are due by **the Monday prior to that week.** If you want to register after Monday or if you need any additional information, please email: **registrar@nsymca.org.**

- We offer both **Credit Card** and **ACH** payment options for camp registration.
  - **Credit card payments**: 3% processing fee
  - **ACH payments**: 0.96% processing fee
- Payment plans are available to both members and non-members.
- A $30 NSF fee will be charged for any payment that is returned by the bank. As a courtesy, one NSF fee will be waived per calendar year.
- Two payment plan options available for families. Please see page 3 for full payment plan details.

- All camp cancellations and changes/transfers requests must be submitted in writing to **registrar@nsymca.org.**
- A **$30 per camp week, per child** transfer fee applies to all transfer requests.

- Camp cancellations are subject to a **$30 per camp week, per child** cancellation fee.
  - Example: Canceling three weeks results in a $90 total cancellation fee.
- The refund deadline is **May 4, 2027**. After this date, **no refunds or credits** will be issued for cancellations.
- If you cancel a week of camp, your deposit for that week will be applied to the cancellation fee (e.g., if a $20 deposit was made, an additional $10 will be charged).
- Refunds may be considered in unique circumstances at the Director's discretion. Email **registrar@nsymca.org** for more information.

- Registrations received after a camp reaches capacity will be placed on a **waitlist**.
- If a spot opens, you will receive an email and have **24 hours** to claim your spot. If we do not hear from you within 24 hours, we will move on to the next camper.
- If you are moved off a waitlist **after March 1st**, and registered for camp, you will be charged the **standard rate**.

- A **$10 multi-child credit per week** will be applied when **two or more children** are registered.
  - This credit is forfeited if the registration is withdrawn.
